

ADDITIONAL REPORTS

Mission Partnership Support

The ministry of the Southeastern District is funded through gifts from congregations, schools, and other ministries in support of mission efforts. As we are saved through grace and through His sacrifice for us, we generously respond so that the 32 million people within our boundaries that do not know Jesus as Lord and Savior might hear of His saving grace. We pledge to be good stewards of the resources entrusted to us.

Your Mission Partnership Support gifts bind us together and affirm our resolve to unite with the other ministries of the Southeastern District so that *“As we work together to connect our neighbors to Jesus, lives are transformed and God’s Kingdom is growing.”* Your generosity provides the opportunity for you to support new ministry as support was likely provided to you at the time when you first began worship services.

We pray that you will establish or increase a financial partnership with the Southeastern District that will demonstrate a heightened stewardship commitment toward the mission and ministry that we share. It is our hope that all SED ministries might participate by setting aside first fruits giving for the Lord as an act of Christian stewardship. It is our prayer that we all come together to participate in the financial support of our common mission.

The Southeastern District is richly blessed through your financial support and thanks you for our partnership.

ADDITIONAL REPORTS

Financial Reporting 2018

Southeastern District, LCMS

January 29, 2018

Dear Partner in Ministry:

“From the fullness of His grace we have all received one blessing after another”. - John 1:16

The ministry of Southeastern District is enabled through partnerships with congregations, schools, and other ministries as we work together “from the fullness of His grace”. Saved through grace and through His sacrifice for us, our response is to *Connect People with Jesus as We Reach our Neighbors with the Love of Jesus for Kingdom Growth*.

The Southeastern District supports mission and ministry through the careful management of the funds entrusted to it. We pray that our efforts will ensure the funding of ministry initiatives as reflected by the mission and vision statements adopted and affirmed by the District Board of Directors.

During the 2015 District Convention, a Stewardship and Finance resolution titled *Full Financial Disclosure*, directed that additional detailed information on the District budget be made available that would communicate how congregational gifts to Mission Partnership Support are used for mission and ministry in the context of the annual budget. The resolution further directed that the Southeastern District distribute a copy of its budget to each of its member congregations on an annual basis. Enclosed with this letter is a copy of the 2018 Annual Budget now being forwarded to each District congregation. Questions on this budget document can be directed to Mr. Stephen M. Heemann, Director of Finance and Stewardship, or to Mr. David Kennedy, SED Business Manager.

The Southeastern District is thankful for the partnership that we share. We look forward to working with you as, together, we continue the efforts now underway to reach the 32 million people that live within the geographical boundaries of our District who do not know Christ as Lord and Savior.

In Christ,

Stephen M. Heemann
Director of Finance and Stewardship

Southeastern District, LCMS

6315 Grovedale Drive
Alexandria VA 22310
