HURRICANE FLORENCE SUPPORT AND RECOVERY

Florence made landfall two weeks ago and it is still creating new disasters. Our congregations in the Carolinas are positioned to respond to this historic flooding. Supplies and work teams have already been in the areas of Havelock, New Bern, Jacksonville and Wilmington NC. Teams are ready to respond to Conway and Myrtle Beach SC as they are just now dealing with flood waters.

The recovery in these areas will be long term. In the days and months to come, your contributions and help will make a difference as people and communities work towards rebuilding.

Act

We need volunteers for the clean-up and recovery efforts. If you or a congregation team are able to assist in the recovery and rebuilding efforts please complete the online form on our website at se.lcms.org, click the disaster link.
