Notes:

- 1) Listing of titles in this document does not provide endorsement of any book.
- 2) The **bolding** of book titles in this document is not consistent with the American Psychological Association (APA) and Modern Language Association (MLA) rules used in academic writing. However, it is done deliberately in this document to make the titles easier to read.
- 3) The second section of this Bibliography on “Additional Books”, contains references that do not address faith or religion directly, but address other issues associated with racism and discrimination that are important at this time.
- 4) With a few exceptions, many of the titles in this document have been published within the past 15-20 years. Several listings are scheduled to be released in late 2020 and 2021.
- 5) Generally, the listing of traditional textbooks in this document was avoided since these might be too numerous and would exceed the primary purpose of producing a “selected” bibliography. However, these works should not be ignored by researchers or writers.
- 6) Most of the titles in this document may be obtained from, ChristianBooks.com, Barnes & Nobel Books, Books-a-Million, or directly from the publishers.
